**SMOKE DETECTOR NOTICE**

The undersigned Landlord and Tenant hereby acknowledge that State law requires the owner (Landlord) of a dwelling to install a functional smoke detector in the basement of the dwelling and on each floor level of each dwelling unit, except the attic or storage area of a dwelling unit. State law further requires the occupant (Tenant) to maintain any smoke detector in the unit unless the occupant (Tenant) or government building inspector gives written notice to the owner (Landlord) that the smoke detector is not functional. Owner (Landlord) shall within five (5) days after receipt of that notice provide any maintenance necessary to make that smoke detector functional. Upon discovery that a smoke detector in the unit requires maintenance, occupant (Tenant) agrees to immediately either provide any maintenance necessary to make that smoke detector functional, or provide owner (Landlord) written notification of the required maintenance.
